BAUXITE

Bauxite stands as the world’s primary source of aluminium, a vital mineral powering industries from metallurgy to cement and refractory production. At Patel Corporation, we proudly supply a comprehensive range of high-quality bauxite grades, each carefully sourced and tested to meet the precise demands of industrial applications. Our commitment to consistency, purity, and performance ensures reliable results for every customer, every time.

GRADES

1. METALLURGICAL
2. CEMENT
3. REFRACTORY
