CALCIUM FLUORIDE

Calcium Fluoride stands as an important industrial mineral valued for its high purity, stability, and wide use across steel, aluminum, glass, and chemical industries.
At Patel Corporation, we supply a complete range of Calcium Fluoride products, including Briquettes, 90% Lumps, Granules, and Low Grade Fluorspar, each carefully processed and tested to meet specific industrial needs. Our focus on quality, consistency, and performance ensures reliable results, smooth operations, and lasting value for every customer, every time.
